

## WORKING TOGETHER TO LOOK AFTER CHILDREN DURING LOCKDOWN

Schools across the Trust have worked together to offer continuous provision for children of key workers, including over the Easter holidays and the half term period. Warlingham School

& Sixth Form College, Hamsey Green Primary School and Bletchingley Village Primary School became the 'hub' schools for the Trust, with staff from Tatsfield Primary School and Woodlea Primary School supporting their rota systems to maintain continuity and support for all families. Children based at Hamsey Green had great fun participating in 'Forest School'!

## PPE FOR KEY WORKERS

Warlingham's amazing DT Department has been using the School's equipment to make an additional 200 COVID-19 face shields for Key Workers to use as part of their PPE. Seven different care homes and doctors' surgeries in the Warlingham and Caterham areas have benefited from the staff's hard work. We are very proud of their contribution to our community during the crisis. Click [here](#) to read the full story on the School's website.

## EDUCATION PROFESSIONAL NEEDED

We have a vacancy on the Trust Board for an education professional who can help us to ensure that we are providing the best possible learning outcomes for all pupils. You can learn more by clicking [here](#).

If you are interested, please email Karen Quinton, Chair of the Trust Board:

## LATEST OFSTED REPORTS GIVE TRUST PRIMARY SCHOOLS SEAL OF APPROVAL

We are delighted to report that three of our primary schools have recently been officially awarded 'Good' grades by Ofsted under the new framework. Well done to Hamsey Green Primary School, Woodlea Primary School and Bletchingley Village Primary School!

Meanwhile, Tatsfield Primary School, already judged 'Good' in 2017, awaits its next inspection.

It was a very busy and unexpectedly shortened Spring Term!

## STAYING IN TOUCH AND KEEPING FIT

Hamsey Green Primary School and Bletchingley Village Primary School both made videos for their communities during the lockdown period. Please click [here](#) to watch Hamsey's video which featured uplifting messages from the staff to the children with a theme of "Hamsey's there for you". Bletchingley's featured their Reception class who are keeping in touch by blowing virtual kisses to each other online. You can watch their very cute video on their Facebook page by clicking [here](#).

Warlingham School & Sixth Form College has been releasing a series of weekly online challenges to encourage students, parents and staff to keep fit and active whilst restrictions are in place. You can view the sixth of the challenges by clicking [here](#); the rest of them can be found in the news section of the School's website.
